TO WHOM IT MAY CONCERN

This letter serves to confirm that we made use of ChambelM Translations to assist in the translation of documentation from English to Portuguese. I would like to thank Mari Chambel da Silva for the professional manner in which she handled our request. Mari was always available to discuss any questions.

Time was a great concern and Mari assured us that she would deliver before our deadline. What an amazing service!

I would not hesitate to recommend Mari's work and will definitely keep her details close.

Sincerely
